Country Coochie

I was ashamed, but I couldn't help myself. Katy's ass was more temptation than any man could stand. Two days of working for Mr. Bradley, and already I had my dick in his daughter's sweet pussy.

I should have seen it coming. Right from the start, I couldn't take my eyes off her. Katy can't be a day over 20. She has long blonde hair, big brown eyes, and a body just ripening into womanhood.

I teach school and usually try to get some part-time work over the summer. Psychology is my hobby; I love to study people. The extra money doesn't hurt, either.

Since I earn my living with my head all winter, I try to find something physical to do in the summer. Mr. Bradley's country store was perfect. There were lots of shelves to stock and boxes to lift, and his customers were a psychologist's dream.

Only one problem though. Instead of studying the customers, I couldn't stop studying Katy's sweet young ass. She seemed to delight in displaying it at every opportunity. Every time she bent over or tiptoed to reach something on a high shelf, that beautiful ass jutted out. So round, so firm, so ready to be kissed and fucked.

I spent half of my first day on the job with a hard-on. The gleam in her eyes told me that little vixen knew exactly what she was doing to me.

Most of the time, her father was near by, so all I did

was watch and drool. I couldn't wait for quitting time. I needed relief, if only from my hand.

The job came with room and board, so after we locked up, Katy walked me to my room, which was next to hers. Once we were in the room, she didn't seem to want to leave. I didn't mind. I liked having her so near. But with her dad right down the hall, I did not dare do a thing.

She showed me where the fresh towels were, and then turned to leave. Al-

most as an afterthought, she walked over to the wall that separated our rooms and pointed to a spot about two feet from the floor.

"The last guy that worked for Daddy was a real weirdo. He drilled this hole in the wall. It goes through to my room. I don't know for sure, but I think he liked to watch me undress." She blushed as she told me the story. "You're not like that, are you?" she asked in a throaty whisper.

"No," I lied, finding it hard to believe that she was really so naive. Then she smiled and left the room.

About an hour later, she called me down for supper. The freshly baked biscuits and country ham were delicious. The young girl was a great cook, but I had trouble swallowing. She had changed into a pair of shorts that let at least half of her lovely ass hang out.

I had to grit my teeth and clench my fists to keep from

grabbing her sweet rear butt every time she bent over. It seemed like she did that a lot.

There was no TV in the house, so I was back in my room by 7:30. I lay on the bed, bored. I was leafing through a year-old copy of Field and Stream when I heard her door close as she entered her room.

In no time I was sitting on the floor with my eye glued to the peephole. She gave no indication she knew I was watching. She stood at the mirror, combing her long blonde hair. It was so clean and so shiny that it glowed.

But the best part was still that ass. It wiggled so nicely as she vigorously brushed her hair. When she finished, she stretched like a cat just waking from a nap. That skirt rode even farther up her sweet buns.

but dynamite would not have budged me from my vantage point. Finally she walked over to the peephole. She turned her back, and with her ass only inches from my face, she very slowly pulled the skirt down over her firm hips.

Her panties were silky and almost transparent. The crack of her lovely ass was clearly visible. Next, she turned around to give me a view of the front of her young body. The fuzz on her pubic mound was outlined by the thin material. The panties clung to the lips of her perfect pussy.

I wished my tongue were 10 inches longer. I think I would have stuck it in the hole and licked that sweet quim. Instead, I watched and jerked off. With her pussy

Finally I pulled my mouth away and told her to bend over. She did exactly that. Her head rested on her arms on the bed, while that mouth-watering ass wiggled in midair. Quickly I pulled her panties down to her ankles. Her crotch was warm and wet; she was dripping like a faucet.

By that time my dick was as hard as steel. It strained against my jeans, begging for release. I stood and undressed quickly. I sat right back down, naked, with my cock in my hand. In the short time that my eye had been away, she had removed her blouse and bra. Her tits were perfect as they stood out proudly from her full chest. Almost as if she could tell I was back, she began teasing the big pink nipples, until both of the sweet darlings were stiff as little bullets.

I almost shot off all over the wall, just from watching her play with her tits. But just in the nick of time I took my hand off of my throbbing cock. The young girl was a master of the striptease. She played with those boobs for nearly a half hour. I wanted to yell "Show me more!" But, of course, I didn't. I watched and waited.

The position gave me a horrible kink in my neck,

only a few inches from the hole, she put a hand down and slipped it under the leg band of her panties. I watched in amazement as her finger disappeared into her wet tunnel.

She stood there fingering her pussy for a good 10 minutes, as I watched helplessly. Finally she stiffened and pushed her finger deep into her cunt. She began to gasp and moan as she had two orgasms before she pulled her hand away. Her finger was slippery with her juice.

Still I held back. I didn't come, but I was on the verge of blasting. One stroke and I could have covered the wall with my hot jizz. But I felt too good; I wanted to prolong the sensation.

Unfortunately, for me the masturbation seemed to satisfy her. Without taking off her panties, she climbed into bed and turned out the light. It was too dark for me

to see anything.

I still had a hard-on, and something had to be done. I found myself wishing that I'd come with her. Now all I had was the memory to savor while I jerked off.

I decided to go to the bathroom to do it. I didn't want to make a mess in my room. I had a feeling this would be a record load. I slipped into my robe and very quietly opened my door, my stiff dick making a tent out of the front of my robe. I figured that I could make the few yards to the bathroom without being seen.

I managed and closed the door behind me. I was surprised to find that the lock was broken. I was too horny to

snatch. Her eyes told the whole story. She wanted sex, and wanted it real bad.

Even with her father right down the hall, I had to do it. My dick would let me do nothing else. I threw the robe open and let her see my steel-hard cock. She moved forward and very gently touched the shaft. "Let's go to my room," she whispered. She led me out the door, down the hall and into her room, with her hand still on my dick.

Once we were safely inside her room, she stood facing me and put to my lips the finger that had been so recently in her snatch. I licked it like a candy stick. I felt

the silk panties and the heat of her young pussy press against my dick, as I stood there licking her finger.

"Do you like my taste?" she whispered, as her lips replaced her finger. Her tongue filled my mouth. I put my hands on her hot ass and crushed her to my body, as our tongues explored each other's mouths.

Finally I pulled my mouth away and told her to bend over. She did exactly that. Her head rested on her arms on the bed, while that mouth-watering ass wiggled in midair. Quickly I pulled her panties down to her ankles. Her crotch was warm and wet; she was dripping like a faucet. I ran

let that stop me. I sat on the bowl, threw my robe open, and began pounding my throbbing cock.

I guess my eyes were closed, because I didn't see the door open. "Don't you like me?" whispered a timid female voice. I jerked my eyes open and fumbled with my robe, trying to hide my hard-on. Katy stood in the doorway, still dressed in only her panties. She tried to stifle a smile.

Then she closed the door behind her and leaned against it. The bathroom was so small that I could smell her young pussy. It didn't help my condition at all.

"The last guy who stayed in your room used to shoot his cum through the hole in the wall when I played my little game. But you didn't. Don't you like me?" She spoke with a pout on her lips. "I didn't know ..." I stammered.

"Then you looked; I was hoping you would." Her hand began a slow path up her thigh, toward her wet

my tongue up the tight crack of her ass; then I stood up to put my prick in her pulsing cunt from the rear. I almost lost my load when I felt her pink anus quiver as my tongue passed over it.

I grabbed her hips and buried my cock in the slippery, steaming cunt. She came before I hit bottom. I managed five or six strokes before exploded, bathing her tight tunnel with my hot seed.

When I recovered my senses, I quickly returned to my room. I swore to myself that it wouldn't happen again, but Katy had other ideas.

"Wait until tomorrow night," she called out through the hole. "I'll put my hot ass so close to this hole that you'll be able to do more than just peep."

It was a real challenge for an ass man like me! And you can believe that I made the best of it. It was one of the best licks of my life!

I like nice undies that feel soft and smooth against my body. Especially since I'm clean shaven down there. For me, with no hair, the panties have to be lacey. So when I tell my man that I'm going to slip into something much more comfortable, what I really mean is that I'm taking it all off – just for him.

MOUTHS AND PUSSIES AND COCKS, OH MY!

FUCK ME EVERYWHERE

My neighbor and I grew up together. After college, she got married and a couple years later came back to the neighborhood house with her husband and they settled in and made it their own. She seemed happily married but her husband was always at work and when he got home he ignored her and she finally kicked him out of the house.

Anyways, I noticed that she would always kiss me on the cheek when I would say 'Hi.' And I also would notice her nice round butt and her firm boobs like. One time I saw her getting home with groceries and I offered to help her. At 5 foot 2, she struggled with the heavy-looking bags. She was so thankful I was there to help. She was wearing yoga pants and a really tight white T-shirt.

I take the bags into her kitchen and set them where she points to on the counter. She offered me water and points for me to sit at the

table. She comes and sits next to me and hands me the water. Without hesitation, and to my total surprise and shock, she puts her hand on my crotch. I didn't know what to say, only that I wanted her.

She stood up and took her clothes off and said "Fuck me everywhere in this house," so we started in the living room she gave me head like no other. Sucked on it like an ice cream cone. She deep throat me and chuckled and left my dick covered with saliva. Then we went to the shower and did her there, too.

Then to her room, both of us naked, where she sucked my nuts then my dick. I fingered her and let her ride me. I kissed her on the neck and breasts while she rode my dick, her ass bouncing, her screaming. Then I fucked her doggie and she cried. I kept pounding it, but she wanted more so I went harder and faster. We became a bit sweaty but we both got more turned on, so we 69'd and ate each other out.

She sucked me up good and I cum

in her mouth while she sucked. It felt like she sucked all the energy out of me. Up to this day we still fuck because she likes my cock so much. I visit her and she's always ready to give me head. We are still neighbors, both re-married, but we still find time to screw each other.

POOLING AROUND

Our neighbors Steven and Candie are great friends of ours. My husband Eric and I have known them since the day we moved in five years ago when they arrived with a bouquet of flowers, baked goods, and a bottle of wine. Steven and Eric golf together, fix their cars together, hit the bars together, and are pretty much inseparable. Candie and I also enjoy a great relationship. The four of us regularly get together for cookouts, go to the movies, and even vacation together.

One Sunday, Eric and I (Oh, I'm Lisa) were at home sitting out by

the pool drinking apple martinis. The sun was shining and the temperature was perfect, a nice breeze blowing gently. I was wearing a new ultra-skimpy bikini that I'd picked up the other day. Very clearly Eric approved. Earlier he'd chased me around the pool slapping my ass, snapping the bikini-top strap, and trying like hell to pop out my boobs. Feeling loose now, I felt it was time for more tanning and undid my top and gave my boobies a little shake. "Keep doing that and your tits won't have a chance to tan cuz they'll be covered with my face," Eric said. "Yeah?" I chided him, tweaking my nipples. "Maybe tanning's not all they want."

Eric didn't need any more incentive. In no time he was out of his chair and straddling me. His hands locked onto my 34 Cs and started massaging them firmly. Eric bent down and took one of my erect nipples into his mouth, sucking and teasing it with his tongue. Then he tried to take my whole breast into his mouth while his other hand continued fondling the other. I moaned a lit-

tle, my pussy moistening from his touch. I could feel his hard cock rubbing against my thigh, and I couldn't wait for my chance to put it in my hole.

Eric leaned back, patted my clothed pussy and reached over to grab a towel. He placed the towel at the foot of my reclined pool chair, knelt on it, and pulled me forward by my legs. His hands reached up and slid off my bikini bottoms, exposing my wet, shaved pussy to the warmth of the sun. "Looks like you won't be tanning here either," said Eric, tongue out, eagerly diving into my beaver.

It was at that very moment that our pool gate swung open and through it walked a smiling Steven carrying two six-packs. One of them crashed to the ground when he saw Eric's face buried in my pussy. Eric jerked upright and spun around as I grabbed a towel. I was totally embarrassed and Eric was on the verge of turning beet red. There was an extremely awkward silence as Eric and I stared at Steven and him at us. Finally, Steven spoke. "Sorry Eric. It looks

like I interrupted your lunch. We'll just go and come back at a more convenient time." Eric and I broke up laughing, and so did Steven.

Eric stood up and just as he did Candie bounded through the gate. "Hey y'all!" she said, and then her eyes fell upon the scattered beer cans on the ground. Then Candie glanced over at me. I was still sitting on the pool chair sheepishly, barely covered by the towel. Quizzically, Candie now looked over at Eric, and as her eyes ventured downward they were treated to the sight of Eric's raging hard-on threatening to rip through his shorts. Candie looked at Steven, who shrugged, and then turned back to Eric.

"Nice package, Eric," she said. "I didn't know it was going to be that kind of party. I guess I better adjust my attire," and with that Candie undid her bikini top and let it fall to the ground. Eric's jaw dropped. As Candie made her way to the empty pool chair next to me, she grabbed a beer from the remaining six-pack and patted Er-

ic's cock as she passed him. Now it was my turn for a jaw drop, but quickly I closed my mouth and didn't say anything. I wouldn't say that I was in shock, but I was definitely a little bit out of my comfort zone and feeling a bit vulnerable. Candie sat down in the chair next to me and cracked open her beer. Steven walked up to Eric and said, as if he were discussing a carburetor or a five-iron, "Candie's found you pretty damn attractive ever since we met. Any chance you and Bev are into the swing-thing?"

Eric and I watched our fair share of porn together over the years, so group sex wasn't completely unfamiliar to me. Candie's hand was now sensually massaging my thigh. Candie seemed to be reading me again when she abruptly leaned over and kissed me, threading her tongue passionately between my lips. Candie's exposed breasts pressed firmly against my towelled ones, and the heat between us increased. In the background I heard footsteps and then felt hands caressing the sides of my breasts and my stomach.

Steven's hands slipped more firmly between Candie and me and

pulled me backward, breaking our kiss. He turned my head and replaced her lips with his own, simultaneously removing the towel from the equation. One of his hands cupped a boob while the other found my hot pussy, parting my lips with his fingers. I gasped and relaxed into him. Emboldened, he ventured one finger into my pussy while the other ran circles around my clit, his cock now throbbing against my back. I opened my eyes and saw that now Eric was lying in the other chair and Candie had her lips wrapped tightly around his erect cock, his shorts at his ankles. All of a sudden I heard a splash and looked up to see Candie and Eric in the pool. Eric grabbed Candie by the waist and with the help of the water lowered her onto his cock. Candie wrapped her arms around Eric's neck as he propelled her up and down.

Steven and I stood up, and he dropped trou. I grabbed him by his impressive manhood, led him over to the pool, playfully pushed him in, and then jumped in myself. Again my hand found his cock in the water and I stroked it a few times before Steven picked

me up by the waist. I kicked up my legs and wrapped them around him as I sank slowly down onto his waiting shaft, gasping as it parted my pussy lips and inched up inside me. Steven's cock felt amazing inside me, and between that and the water I was in heaven. Over and over again he pumped me up and down, our fuck parts grinding together in rhythmic bliss. All of a sudden I felt Candie's smooth back against mine. Eric had navigated her through the water to Steven and me, all the while maintaining his cock inside of her.

Back to back, the guys fucked Candie and me. She and I moaned while the guys grunted. Quickly we fell into a rhythm. The guys fucked us harder and then as if by some crazy sex magic, Candie and I screamed and we all came at once! After we caught our breath, we sat in the shallow end and made small talk. "Now who else can we fuck?" I said. Eric's mouth popped open in disbelief, and then it quickly turned into a sly grin. He pulled me closer to him and grabbed my pussy. "Anyone you want, babe. Anyone you want." and kissed me deep by the grill.

PORNELLA NOVELLA

Hi!
I'M MELANIE. THESE
PICTURES OF ME ARE FOR
OUR MUSICAL'S PROGRAM.
I'M LEAVING ACTING CLASS
EARLY TODAY TO HAVE MY
'SORE THROAT' LOOKED AT.

featuring:

MELANIE MEMPHIS

I'm practicing for a new role in my college musical: "Is the Doctor In?" where I play the sick student who goes to his office for an examination. Like every good actor, I must do my research to really get into the role. So, today I've set up an appointment to visit Dr. Longenhardt, MD so I can learn and study for my part.

I DON'T KNOW WHY MY BOYFRIEND IS MAKING ME POSE LIKE THIS. WE PROBABLY CAN'T USE THEM IN THE PROGRAM.

OH MY! MY THROAT IS REALLY SORE. MAY I PLEASE BE EXCUSED TO GO SEE A DOCTOR?

later that day

THANK YOU
FOR SEEING ME, DR.
LONGENHARDT. MY
THROAT REALLY
HURTS.

MISS,
MY HEAD NURSE
IS TAKING PICTURES
OF OUR SESSION. IS
THAT OKAY?

YES,
THAT'S OKAY
WITH ME.

NOW
OPEN WIDE AND SAY
"AHHHHH." YES, I THINK
IT LOOKS PRETTY PINK IN
THERE. YOU MAY NEED
SOME MEDICATION.

MY PRESCRIPTION
FOR YOU IS HOT TEA
- AND A BLOW JOB.

WHY DOCTOR - IS THAT A STETHOSCOPE IN YOUR POCKET, OR ARE YOU JUST EXCITED TO TREAT ME.

I WONDER WHAT SORT OF MEDICATIONS HE'S GONNA PRESCRIBE. I HOPE SEX IS ONE OF THEM!

THIS IS USUALLY
THE FIRST STEP IN CURING
MY FEMALE PATIENTS.

THAT'S AN
INTERESTING
WAY TO TAKE MY
TEMPERATURE.

MISS HEAD NURSE.
I'VE NEVER BEEN EXAMINED
LIKE THIS BEFORE. IS IT
THIS WAY WITH ALL HIS
PATIENTS?

NO DEAR,
ONLY THE PRETTY
- AND HORNY
ONES.

HE'S CUTE ENOUGH
TO STOP YOUR HEART BEAT
AND FUCKS GOOD ENOUGH
TO RESTART IT.

THAT'S IT, MY
GOOD DOCTOR! FUCK
MY PUSSY - AND MY ASS!
I JUST LOVE YOUR BED-
SIDE MANNER!

I'M SURE HE'S
NEVER HAD A PATIENT
AS HOT AS ME BEFORE,
OR ONE THAT LET HIM FUCK
THEM IN THE ASS.

SO NICE WHEN THE DOCTOR IS IN!

I'VE LEARNED
A LOT TODAY, LIKE NOW I CAN
SHOW YOU WHERE ALL THE 206
BONES IN YOUR BODY ARE,
AND THE ONE HE JUST
GAVE ME.

THIS IS AN
INTERESTING REMEDY.
HAS YOUR DOCTOR EVER
GIVEN YOU AN HOUR OF
OFFICE TIME?

PLAYING DOCTOR?
NO - LET'S PLAY
GYNECOLOGIST!!!

LOOKS LIKE
WE HAVEN'T FINISHED
YET... BUT I THINK I HAVE
ENOUGH INFORMATION FOR
MY ROLE AS ASSMERELDA
IN THE MUSICAL!
